

# Summer Jobs with

GROWMARK along with its members and subsidiaries offers summer interns employment opportunities. Together, we believe in cultivating an atmosphere where we encourage and allow qualified students and graduates the opportunity to experience firsthand, the inner workings of an agri-business and its core businesses in agronomy, energy, grain marketing, feed and retail stores. We believe in youth development and continued education. If you are a self-motivated individual who thrives in creating efficiencies and is looking to join a dynamic team, then we are looking for you!

## WHAT'S IN IT FOR YOU?

- Gain experience in a “real world” agribusiness environment.
- Receive valuable hands-on training.
- Gain insight into numerous career opportunities
- Earn Money!!

## QUALIFICATIONS

- All GROWMARK summer interns must have completed their 3<sup>rd</sup> year of the degree program and who will be graduating on either December 2012 or May 2013.
- Intern candidates must be available to work for the Member Cooperative for 12 consecutive weeks of summer.
- Candidates must be attending a selected 4-year college or university.
- Candidates must have a valid up-dated passport for 3 trips/tours to the U.S. Must have and maintain a valid driver's license and must be insurable by GROWMARK, Inc.

## SAMPLE POSITIONS

**CROP SCOUTING / CONSULTING:** *Monitor customers' fields to identify weed, insect, and disease problems. Keep accurate records.*

**CUSTOM APPLICATOR:** *Operate application equipment; applying fertilizers and crop protection products.*

**OPERATIONS ASSISTANT:** *Perform customer service and plant operations duties (i.e.: deliveries, custom blending, inventory management, equipment maintenance).*

**AGRONOMY:** *Learn aspects of marketing agronomy products and services to our farmer-owners including sales, service and basic plant operations. Job shadowing a crop specialist is a highlight of this internship.*

**ADMINISTRATIVE:** *Assist the managers of a local co-operative and learn the different functions and computer systems of an agribusiness.*

**HUMAN RESOURCES:** *Assist the manager and learn the different department functions, computer systems, and compliance with relevant legislation.*

**Please apply to this posting at: [www.growmark.com/ourpeople](http://www.growmark.com/ourpeople) under Employment Opportunities - current openings for Canada**
