**Doug Beintema**

I am pleased to announce Doug Beintema has accepted the position of Petroleum Joint Venture (JV) manager, which is a joint venture with GROWMARK Inc., effective January 1, 2019. Doug has been with AGRIS for more than 12 years in various roles, including sales and most recently as branch manager at our Chatham and Oungah locations for the past seven years.

Doug brings an excellent mix of operations, administration and sales skills to our Petroleum JV. Doug is a graduate of the University of Guelph Ridgetown campus and has held his CCA-ON designation since 2001.

Doug will be working closely with our current Petroleum JV manager Charlie Mailloux, who has announced his retirement as of December 31 of this year. This will allow us to plan for a smooth transition for both our staff and customers alike.

Doug looks forward to meeting and working with all of our AGRIS Co-operative customers and can be reached at 519-798-3011 or [dougb@agris.coop](mailto:dougb@agris.coop) Please join me in wishing Doug every success in his new position.

Co-operatively yours,

*Jim Campbell*
