Emily May

I am pleased to announce that Emily May has joined AGRIS Co-operative and will be working on grain logistics and origination for our Dutton and Glencoe branches effective immediately. Emily is a graduate of the University of Guelph, Ridgetown Campus with an associate diploma in agriculture and will graduate this month from Olds College in Alberta with an applied degree in agribusiness.

Emily was raised on the family farm in the Glencoe area where she continues to live. In her spare time, she enjoys playing baseball and helping out showing the family's sheep flock at local fairs.

Emily looks forward to meeting and working with all of our Dutton and Glencoe area customers and can be reached at 519-762-2836 or emilymay@agris.coop

Please join me in wishing Emily every success in her new position.

Co-operatively yours,
